

Notice of Works

24 September 2026

Adelaide Airport - Notice of Works – Comley Street Footpaths – Comms Trenching and Cabling

WHAT IS HAPPENING?

As part of the Comley Street Footpath works, communication cabling is being installed along Comley Street. To facilitate the installation, trenching works will be undertaken across three road crossings to enable the cabling installation.

To minimise disruption and allow the works to be completed efficiently, the works will be carried out in three stages.

Access will be reduced to one lane for both directions of travel in and out of the access roads i.e. Dnata Carpark, Warehouses, and Export Park Carpark.

Traffic controllers will be stationed on site for the duration of the works to facilitate access during each Stage.

- **Stage 1:** Graham Street – 29/09 to 30/09, 7am to 5pm
- **Stage 2:** Airway Entrance – 01/10 to 02/10, 7am to 5pm
- **Stage 3:** East Car Park – 06/10 to 07/10, 7am to 5pm

Notice of Works

Please note, you will also notice some very short (10min) disruptions at each location between 7am to 8am this Friday 25/09.

The Contractor will be saw cutting the road at the road crossings in preparation for works to commence next week.

WHEN ARE WE COMPLETING THIS WORK?

Works are anticipated to commence **Tuesday, 29 September 2026** and be completed approximately **Wednesday, 7 October 2026**.

WHAT WILL WE DO?

- Ensure works are undertaken in a safe and organised manner.
- Maintain access to Dnata Carpark, Warehouses, and Export Park Carpark (down to one lane for both directions of travel)
- Ensure Traffic Management Personnel are on site throughout the works
- Monitor and adjust-traffic management set up if excessive congestion occurs.
- Provide updates if staging or timing changes.

WHAT DO I HAVE TO DO?

- Please be aware of the works and **ensure any impacts are communicated to your team and customers/clients**.
- Follow all temporary signage and reduced speed limits.
- Follow traffic controller's instructions where required.
- Please be patient whilst we complete these works.

WHAT IF I HAVE ANY QUESTIONS?

Should you have any concerns or would like to know more about this project, please contact:
